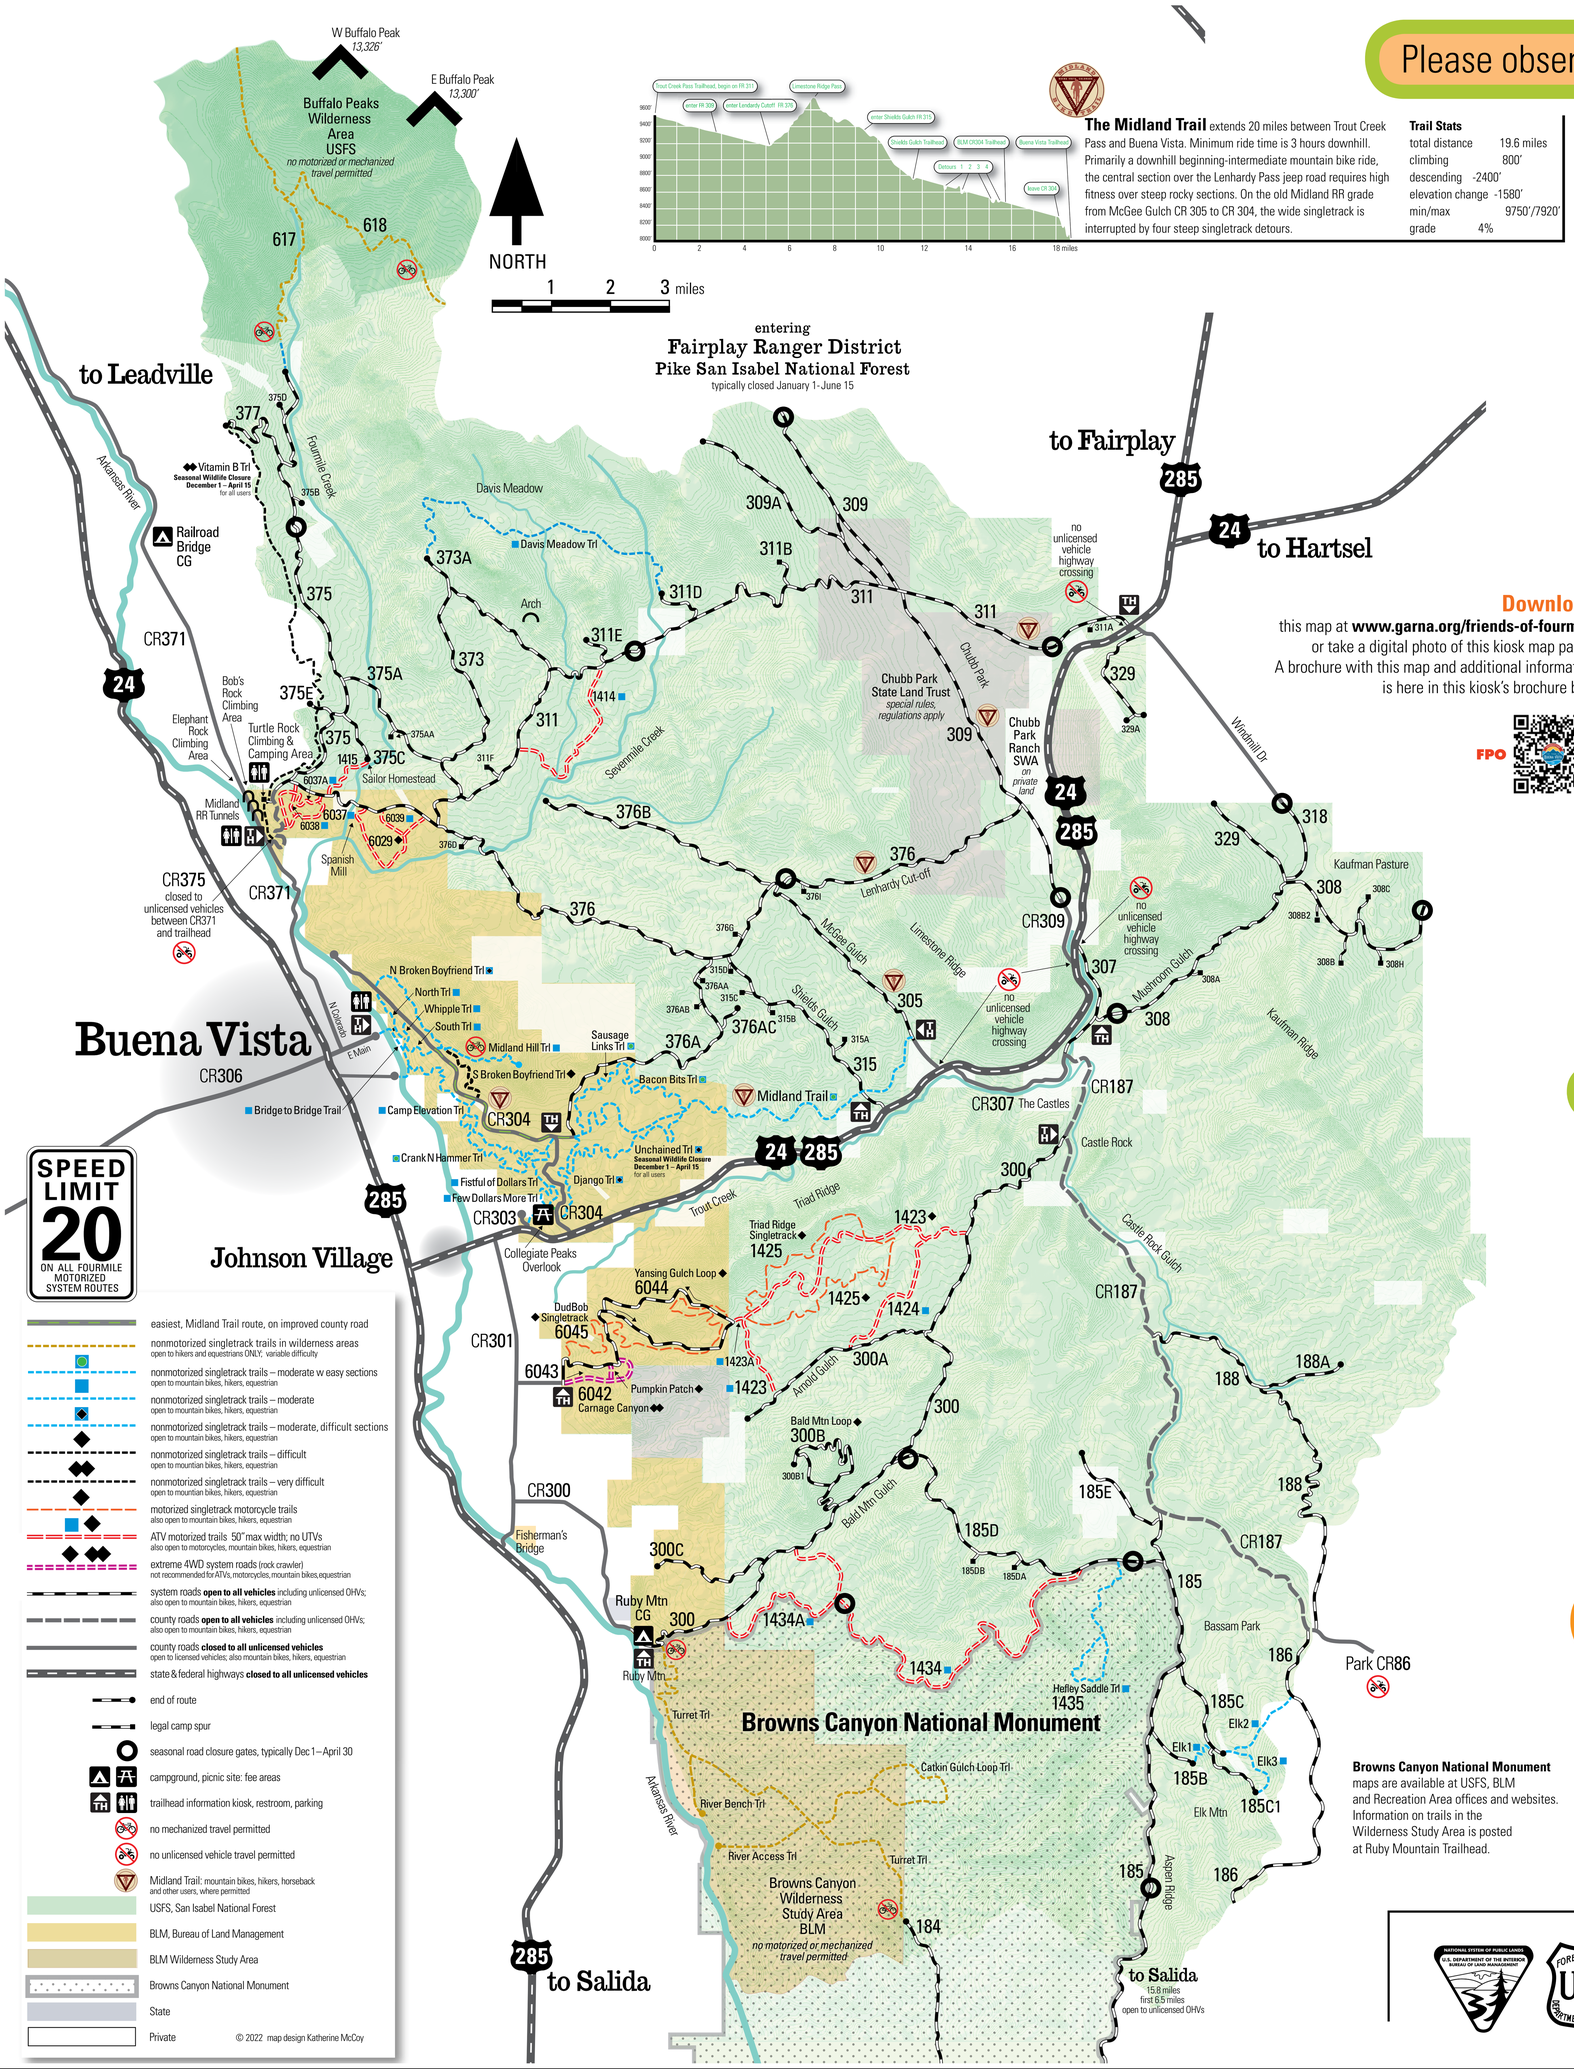
FOURMILE

TRAVEL MANAGEMENT AREA



The Midland Trail extends 20 miles between Trout Creek Pass and Buena Vista. Minimum ride time is 3 hours downhill. Primarily a downhill beginning-intermediate mountain bike ride, the central section over the Lenhardy Pass jeep road requires high fitness over steep rocky sections. On the old Midland RR grade from McGee Gulch CR 305 to CR 304, the wide singletrack is interrupted by four steep singletrack detours.

Trail Stats

total distance	19.6 miles
climbing	800'
descending	-2400'
elevation change	-1580'
min/max	9750'/7920'
grade	4%

FPO

Please observe these guidelines.

- Use only **roads and trails designated** for your vehicle type.
- **Do not create new roads and trails.**
- **No OHV riding or play in campsites.**
- **Limit parking** to compacted areas within **one vehicle-length** from a road or trail.
- **Camping** is **limited to 14 days**.
- Camp only in **existing sites. Do not expand sites or create new sites.**
- Camp away from **streams** and **water** to avoid polluting waterways and creating erosion.
- Know and observe **current fire restrictions.**
- Use **existing campfire rings**; do not build new rings.
- Gather only **down & dead wood**, or purchase wood locally.
- Bring **drinking water** and plenty of water to **extinguish campfires thoroughly**.
- Consider using a **portable propane fire pit.**
- A **portable toilet system** is recommended.
- Pack out all **trash** and dispose of **dog waste**.

Remember:

- **20mph speed limit** on Fourmile motorized system routes.
- Children **under 10 years cannot operate OHVs** on public roads.
- OHV operators **between ages 10 and 16 must be directly supervised** by a state licensed driver.
  cpw.state.co.us/thingstodo/Pages/OHVsRegulations.aspx
- **Register OHVs** with Colorado's Off-Highway Vehicle (OHV) Program. 303 297-1192
